SUBJECT: **Appointment of Jay Orendorff
to the Student Center Governing Board**

In accordance with the Student Center Bylaws, I am pleased to appoint Jay Orendorff as my representative to the ex-officio, non-voting position on the Board of Directors. He will replace Christopher Bomar who retired from the University effective December 31, 2013. Mr. Orendorff is familiar with the work of the Student Center as he is also my appointee to the Student Fee Advisory Committee. I am concurrently appointing him to the Student Trust Officer position, which places him on the Associated Students Inc. Board of Directors in an ex-officio position. I am sure that he will make a positive contribution to the deliberations of the Governing Board and will assist you and management in meeting campus and CSU requirements.

Mr. Orendorff's term will commence on January 1, 2014.

In accordance with your Bylaws, I am forwarding this recommendation to President Wong for his approval.
